Best known in the art world as LEBO, international artist David Le Batard is proud to bring his LEBO ART Pop-Up Shop to Lincoln Road this summer. His fresh new lines of apparel, colorful prints and other unique new pieces exclusive to this shop come together with the same vibrant energy as his city he is happy to call home. In addition to his Pop-Up Shop, found at 1674 Meridian Avenue, LEBO will also be leaving his mark on Lincoln Road by participating in the Raining Poetry activation, where poetic verses and graphics - triggered by rainfall - appear on the iconic promenade between mid-May and the end of July. Visit the LEBO ART Pop-Up Shop or www.leboat.com for more information.
